

EU DECLARATION OF CONFORMITY

Directive 2011/65/EU of 8 June 2011 (RoHS)

European Parliament and Council Directive 2011/65/EU of 8 June 2011 (RoHS) on restrictions on the use of certain hazardous substances in electrical and electronic appliances.

This declaration of conformity is issued at the exclusive risk of the manufacturer.

Please note that we do not manufacture electrical or electronic appliances, and that our products do not make use of lead, mercury, cadmium, hexavalent chromium, polybromide biphenyls or ethers of polybromide biphenyl. Consequently, the concentrations of such substances, if present in the form of impurities, are below the values set out in annexe II.

The object of the above declaration is in accordance with the terms of Directive 2011/65/EU.

We remain at your disposal should you require any further clarification.

Kindest regards
